**BGU**  
**BIRLA GLOBAL**  
**UNIVERSITY**

Birla Global University (BGU) is a self-financed private unitary University and has been established by the enactment of Birla Global University Odisha Act, 2015 with its main campus spread over an area of nearly 30 acres of land in Gothapatna village under Bhubaneswar city limits. As per the Act the management of the university is carried out by a Board of Governors headed by Smt. Jayshree Mohta, Chairperson, Birla Academy of Art & Culture being the main promoter of Birla Global University. However, Honorable Governor of Odisha is the Chancellor of the University.

The University has been established with a goal to be the best destination for aspiring new-age communicators. It is committed to redefine 'quality' in mass-communication education with state of the art facilities, best of the infrastructures and finest of faculty members. Presently, the University operates with four schools i.e.

1. School of Management offering **MBA and BBA (Honours)**
2. School of Communication offering **MA in Journalism & Mass Communication (MAJMC)** and **BA in Journalism & Mass Communication (BAJMC)**
3. School of Commerce offering **M.Com & B.Com**
4. School of Social Sciences & Humanities offering **MA in Economics**

The university plans to extend the scopes of the existing schools as well as to open new schools for Art & Culture, Literature, Sciences and research programmes. In fact, the core strength of the university is its commitment towards research and development. The university, this way, aims at catering to the need of the young mass of the country and to take Odisha to the global arena in the sphere of higher education.

## About the Programme

A Master of Economics degree is geared towards enabling students who already have a solid base of economics-based knowledge to learn how to apply these economic principles to real-life situations. As most economics graduates would tell you, a Master in Economics allows you to hone in on your analytical skills, to utilize your expertise to come up with innovative solutions to a diverse range of problems, and to learn how to master various econometric techniques and software. Given the broad scope of scenarios in which such a skills-set can apply to, a Master of Economics degree is rapidly becoming a popular choice for those pursuing graduate studies, alongside courses such as Finance, Accounting, and Management.

## Programme Objective

The Master's program in the School of Economics offers a balance between theories of microeconomic, macroeconomic, and econometrics alongside their scientific applications. There exists an opportunity to avail live experiential learning in the form of internships and also focusing on research undertaking pertaining to economic policy issues with access to empirical data. Developing core competencies on critical thinking skills, hypothesizing and solving problems, data acquisition skills, data analysis techniques, the application of economic theory to analyze economic data, writing and reporting skills, and competency in the use of computer software. With active placement cell there will be scope for creating job opportunities in a wide variety of fields which include professional careers in business, banking, financial services, federal, state and local government, consulting, and not-for-profit organizations.

At Birla Global University, we aim to design and conduct our Master's program in economics with a solid foundation for pursuing higher education like a Ph.D. degree in economics or further graduate studies in related fields such as management, business and law.
