

Birla Global University (BGU), Bhubaneswar organized a one-day boot camp on 25.03.2017 titled Angel Investors and Student Entrepreneurship for students who conceived business models towards business professionalism and availed guidance from mentors.

Moreover, potential business plans stand a chance to win funding from Angel investors. This event is collaborated with National Entrepreneurship Network (NEN), A Wadhvani Group Foundation.

We had 32 students from 8 institutes receiving strategies from 5 mentors. The sessions were highly motivating and will be contribute towards capacity building.
