VALUES

- HONESTY AND INTEGRITY**
We believe in being honest and adhering to the highest ethical standards in personal and professional conduct.
- IMPACT**
We measure the value of our development and social work in terms of social and economic contribution.
- TRANSPARENCY**
We believe in openness and complete transparency in all our dealings and actions.
- RESPECT**
We value the freedom of thought and expression to develop varied and healthy perspectives in a culture of academic excellence.
- RESPECT**
We value the culture of respecting self and others.
- COLLABORATION**
We encourage teamwork and partnership of all stakeholders to knowledge creation, acquisition and dissemination.
